

# What's Next?

RMC75  
1 or 2-Axis

RMC150  
Up to 8-Axis

RMC200 Up to 32-Axis

## Introducing the new RMC200

**Delta's most capable electro-hydraulic motion controller.** The RMC200 controls up to 32 axes, and our familiar RMCTools software makes it easy to synchronize every one of them — from simple single-loop position control to complex dual-loop control of position-pressure/force.
