FOR IMMEDIATE RELEASE

## ***Nick McClellan joins Delta Computer Systems, Inc. as a Network Specialist***

August 26, 2005 –Vancouver, WA. Nick McClellan has joined motion control innovator and manufacturer Delta Computer Systems as a computer and network specialist.

"Nick will be responsible for Delta's internal computer networks, email systems and website support as his initial duties of supporting our growing organizational needs" stated Steve Nylund CEO of Delta Computer Systems, Inc.

Nylund added, "Nick's addition will ensure that our internal systems are at the highest levels of effectiveness helping us to promptly deliver Delta's RMC product family of motion controllers and continue our message of customer excellence."

Nick McClellan is a CompTIA A+ Certified Computer Technician with experience in the implementation and support of a variety of technologies, and the design and maintenance of websites.

For more information on Delta go to [www.deltamotion.com](http://www.deltamotion.com).

### *About Delta Computer Systems*

Delta Computer Systems, Inc. designs, manufactures, markets, and supports motion controllers, color sensors, and specialized products. With more than a 20 year track record of motion control product development, customer responsiveness, continuous incremental improvement, and support for both legacy and new products, you can rely on Delta for lasting value. [Delta's motion controllers will be demonstrated next during Fabtech 2005-Chicago](#). More details and information are available on [www.deltamotion.com](http://www.deltamotion.com) or by contacting Bill Savela, Delta Computer System, Inc. 11719 NE 95th Street, Suite D, Vancouver, WA 98682. P360-254-8688, F 360-254-5435, or [bsavela@deltamotion.com](mailto:bsavela@deltamotion.com)

Editor: Your personnel may indicate McClellan on computer printout for inquiry identification.
